On the highway, in the Lausanne-area, take the branch Lausanne-Sud. On that branch take the exit: St-Sulpice/Ecublens.
The exit will bring you on the road leading towards Geneva
Roughly 1 km after the exit, on the right hand side you see this building. Take a right turn (Avenu Forel).
Turn on left on the third street (Rue Robert Mercier). This is already an internal street of the EPFL (parking lots on the left and right sides)
After the white liquid Nitrogen tank there is the K entrance. Come up to the 2nd floor, office D2 455 (Ronnow), D2 335 (group) or D2 435 (secretariat).
